

Idaho and Europe

Employment within Idaho, 2021

Country	Employment
Canada	4,700
Germany	3,000
United Kingdom	2,600
France	2,600
Japan	1,000

On a country basis, German companies operating in Idaho represented 15% of total foreign affiliate employment in Idaho, with German multinationals supporting approximately 1,100 more jobs in 2021 than in 2012.

Jobs directly supported by European investment. Total European-related jobs are likely to be higher, because these figures do not include jobs created by trade flows, indirect employment effects through distributors or suppliers, or via non-equity arrangements such as strategic alliances, joint ventures, or other deals.

Sources of Greenfield Foreign Direct Investment (FDI)

Number of projects does not directly translate to value of projects or jobs added. Greenfield FDI is investment in new assets. Greenfield projects listed on the right hand side are Greenfield projects in the state from all countries.
