Cyprus in the United States

3,587

Jobs directly supported by majority-owned affiliates. Estimates for 2019. Total U.S.-related jobs are likely to be higher, because these figures do not include jobs created by trade flows, indirect employment effects through distributors or suppliers, or via non-equity arrangements such as strategic alliances, joint ventures, or other deals.

\$4.9 bn

Foreign Direct Investment (FDI), 2019

Given the country's small market, Cyprus has not attracted much U.S. foreign direct investment relative to other EU members. U.S. investment in Cyprus declined slightly in 2019 to \$4.9 billion. Cyprus's FDI in the U.S., meanwhile, has continued to decline and is now at the lowest level in 20 years. That said, Cyprus-based companies continued to support roughly 2,000 more jobs in the U.S. than American corporations supported in Cyprus.
